Analytics Information

We use third-party analytics tools to help us measure traffic and usage trends for the Service. These tools may collect information sent by your device or our Service, including the web pages you visit, add-ons, and other information that assists us in improving the Service. We may collect and use this analytics information along with analytics information from other users.

Cookies Policy

Certain sections of the Site use cookies to maintain single user sessions as well as to aggregate broad demographic data as it relates to user behavior.

By modifying your browser preferences, you have the complete control and choice to accept all cookies, to be notified when a cookie is set, or to reject all cookies.

We also use some non-essential cookies to collect information for making reports and to help us improve the site. The cookies collect information in an anonymous form. To control third party cookies, you can also adjust your browser settings.

Information Automatically Logged

Smart Profile.com logs your IP address, browser's user agent, and referring address to help diagnose problems with our server, to administer the Site and to identify unique users. Your IP address is also used to gather broad demographic information.

Data

We will not monitor, edit, nor disclose any personal information about you or your Internet use without your prior permission unless we have a good faith belief that such action is necessary to:

1. conform to legal requirements or comply with legal process;
2. protect and defend the rights or property of our company;
3. enforce the terms of use; or act to protect the interests of our account users or others.

In these cases, this data may be passed on to appropriate individuals, organizations or companies, if specifically requested.

The information that we collect from you may be transferred, stored, or processed at a destination outside the Benelux and the European Economic Area ("EEA").

It may also be processed by third parties operating outside the EEA who work for us or for one of our suppliers. Such third parties maybe engaged in, among other things, the fulfillment of your order, the processing of your payment details and/or the provision of support services. By submitting your information, you agree to this transfer, storing or processing. We will take all steps reasonably necessary to ensure that your information is treated securely and in accordance with this Privacy Policy. We will retain your information for as long as your account is active or as needed to provide our Services to you. We will also retain and use your information as necessary to comply with our legal obligations, resolve disputes, and enforce our agreements. The information of job applicants will be stored in our applicants database for a maximum of 1 year. If you want your information to be deleted, you can use the contact form on our website.

Abuse or Harassment

In case of Abuse or Harassment the automatically logged data will be used to find and locate individuals abusing the network system and or services of the Site. In these cases, this data may be passed on to appropriate individuals, organizations or companies, if specifically requested.

Security

The Site has security measures in place to protect the loss, misuse, and alteration of the information under our control. Unfortunately, no data transmission over the Internet can be guaranteed to be 100% secure. As a result, while we strive to protect your personal information, we cannot ensure or warrant the security of any information you transmit to us or from our online products or services, and you do so at your own risk. Once we receive your transmission, we make our best effort to ensure its security on our systems.
